How to login to your online Library account

You can access your Library account from the online Library catalogue

To renew your books, go to the Library website at https://library.dbs.ie, click on “My library” and select ‘Access my Library account’ from the drop down menu.

ACCESS:
Login to the catalogue with your Moodle Password.

You can then renew your books by ticking the corresponding box and then click on ‘renew selected’ or selecting ‘renew all’.

**NB:** if you are not permitted to renew your books, a message will pop up giving you the reason why the books cannot be renewed. This can happen:

- because you have fines on your account higher than €10.00;
- or because the book/DVD is reserved/on hold for another student.
